Official 12 Team Double Elimination Bracket

@Note - If in Round 4, either Game #18 or Game #19 matches teams against each other a second time, and redrawing the four loser bracket teams **only** can fix the problem, then do the redraw with the four loser bracket teams. The two winner bracket teams must still play each other in Game #17.

\$Note - If in Round 5, either Game #20 or Game #21 matches teams against each other a second time, and a redrawing can fix the problem, then do the redraw. Note that in any case a winner will be playing a loser and the winner of Game #17 must keep the same position in the bracket in Game #20.

If after Round 5, two teams remain alive, then these two teams will play 1 or 2 games for the championship.

If after Round 5, three teams remain alive then:

- If the Loser Game #20 has not had a previous bye, then the Loser Game #20 will receive the Round 6 bye. The Winner Game #20 will play the Winner Game #21 in Round 6. The Winner of the Round 6 game will play the Loser Game #20 in Round 7 for the championship.
- If the Loser Game #20 has had a previous bye, then the other two teams remaining draw for the Round 6 bye. The team not drawing the Round 6 bye will play the Loser Game #20 in Round 6. The Winner of the Round 6 game will play the Winner Game #20 in Round 7 for the championship.
